Daily rental rates are based on 10 hours on machine or a 24 hour time period - whichever comes first

Machine must be back on GVB lot within 5 hours for 1/2 Day rental to apply

Weekly rates are based on 50 hours on machine or 7 days

Monthly rates are based on 200 hours on machine or 28 days

Weekend rates = 1.5 days (Friday PM pickup, Monday 8AM return), 2 day charge for long weekends

Penalty for "overuse" of rental is 1/6 daily rate, per hour over, or additional days added; whichever is appropriate.

Repair costs to the equipment which are directly related to customer use will be the customer's responsibility

Fuel charge is \$25.00 per 1/8 of a tank used**A minimum \$50.00 wash charge will be applied if equipment is returned dirty(muddy, tracks full, messy cab)**

Delivery & Return: \$2.50 per loaded km with a \$50.00 minimum

*Heavy units (12,000 lb+) require a commercial delivery: \$85 loading charge + \$2.50 per loaded km

cash customers must prepay rentals before taking delivery

All rates subject to equipment availability
